Now tell us about your organisation

In order to apply, your organisation must be registered with the European Commission.
Please provide the PIC (Participant Identification Code) of the organisation you are representing.

This field is required. The PIC number of a company is at least 8 digit long number

If your organisation is not registered yet, you may apply for the PIC using the [Participant Register in the Funding & Tenders Portal](#)

Back to profiles

Register to that organisation

Participant Identification Code (PIC)

<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/how-to-participate/participant-register>

If you want to participate in a call for proposals or in a call for tenders with eSubmission, your organisation needs to be registered and have a 9-digit Participant Identification Code (PIC). Please quote your PIC in all correspondence with the Commission.

The register contains all participants of EU programmes.

Is your organisation already registered? PIC search

Please check whether your organisation has already been registered. If so, no need to register it again.

Search a PIC

Register your organisation

To register your organisation or as a natural person, you need to login into the Portal or, if you are a new user, create your account.

Check what information you need to register in the Online Manual - and keep it to hand during the registration procedure. To start registration, click on the button below.

Register your organisation

You can suspend the registration process at any time: the data entered can be saved as draft and you can continue your registration later. To return to your registration, please log in and get into My Organisation(s) in the My Area section. Incomplete, draft registrations are automatically deleted after one year.

Additionally, for actions where the SME status is an eligibility criterion (like, e.g. the SME Instrument) you must also carry out the SME self-assessment.

Should your project or tender be successfully evaluated, the registered data will be verified by the Validation Service team before the signature of the Grant Agreement or of the Framework Contract.

Data sharing

- ☐ We declare to have the explicit consent of all applicants on their participation and on the content of this proposal.
- ☐ We confirm that the information contained in this proposal is correct and complete and that none of the project activities have started before the proposal was submitted (unless explicitly authorised in the call conditions).
- ☐ We declare:
 - to be fully compliant with the eligibility criteria set out in the call
 - not to be subject to any exclusion grounds under the EU Financial Regulation 2018/1046
 - to have the financial and operational capacity to carry out the proposed project.
- ☐ We acknowledge that all communication will be made through the Funding & Tenders opportunities Portal electronic exchange system and that access and use of this system is subject to the Funding & Tenders opportunities Portal Terms & Conditions.
- ☐ We have read, understood and accepted the Funding & Tenders Portal Terms & Conditions and Privacy Statement that set out the conditions of use of the Portal and the scope, purposes, retention periods, etc. for the processing of personal data of all data subjects whose data we communicate for the purpose of the application, evaluation, award and subsequent management of our grant, prizes and contracts (including financial transactions and audits).
- ☐ We declare that the proposal complies with ethical principles (including the highest standards of research integrity as set out in the ALLEA European Code of Conduct for Research Integrity, as well as applicable international and national law, including the Charter of Fundamental Rights of the European Union and the European Convention on Human Rights and its Supplementary Protocols).

Appropriate procedures, policies and structures are in place to foster responsible research practices, to prevent questionable research practices and research misconduct, and to handle allegations of breaches of the principles and standards in the Code of Conduct.
- ☐ We declare that the proposal has an exclusive focus on civil applications (activities intended to be used in military application or aiming to serve military purposes cannot be funded). If the project involves dual-use items in the sense of Regulation 2021/821, or other items for which authorisation is required, we confirm that we will comply with the applicable regulatory framework (e.g. obtain export/import licences before these items are used).
- ☐ We confirm that the activities proposed do not
 - aim at human cloning for reproductive purposes;
 - intend to modify the genetic heritage of human beings which could make such changes heritable (with the exception of research relating to cancer treatment of the gonads, which may be financed), or
 - intend to create human embryos solely for the purpose of research or for the purpose of stem cell procurement, including by means of somatic cell nuclear transfer.
 - lead to the destruction of human embryos (for example, for obtaining stem cells) These activities are excluded from funding.
- ☐ We confirm that for activities carried out outside the Union, the same activities would have been allowed in at least one EU Member State

Data sharing

Data sharing consent

Your National Contact Point, Enterprise Europe Network (EEN) Members and Knowledge Innovation Communities of the European Institute of Innovation and Technologies (EIT KICs) may be a useful source of information and support in preparation of your full proposal. Therefore, we encourage you to share your data with them.

I consent to sharing the following data with my relevant National Contact Point, relevant EEN Member and EIT KICs:

- ☐ basic information about my proposal limited to the name, phone, email of the CEO or person in charge of managing innovation/company, proposal acronym, title, abstract, evaluation result (GO/NO GO).

The data will be made available subject to confidentiality obligations of the NCPs, KICs and EEN members.

Short proposal under [EIC Work Programme 2023](#) rules on the current [EIC Platform](#) until **December 31st 2023 at 23:59 (GMT +1)**.

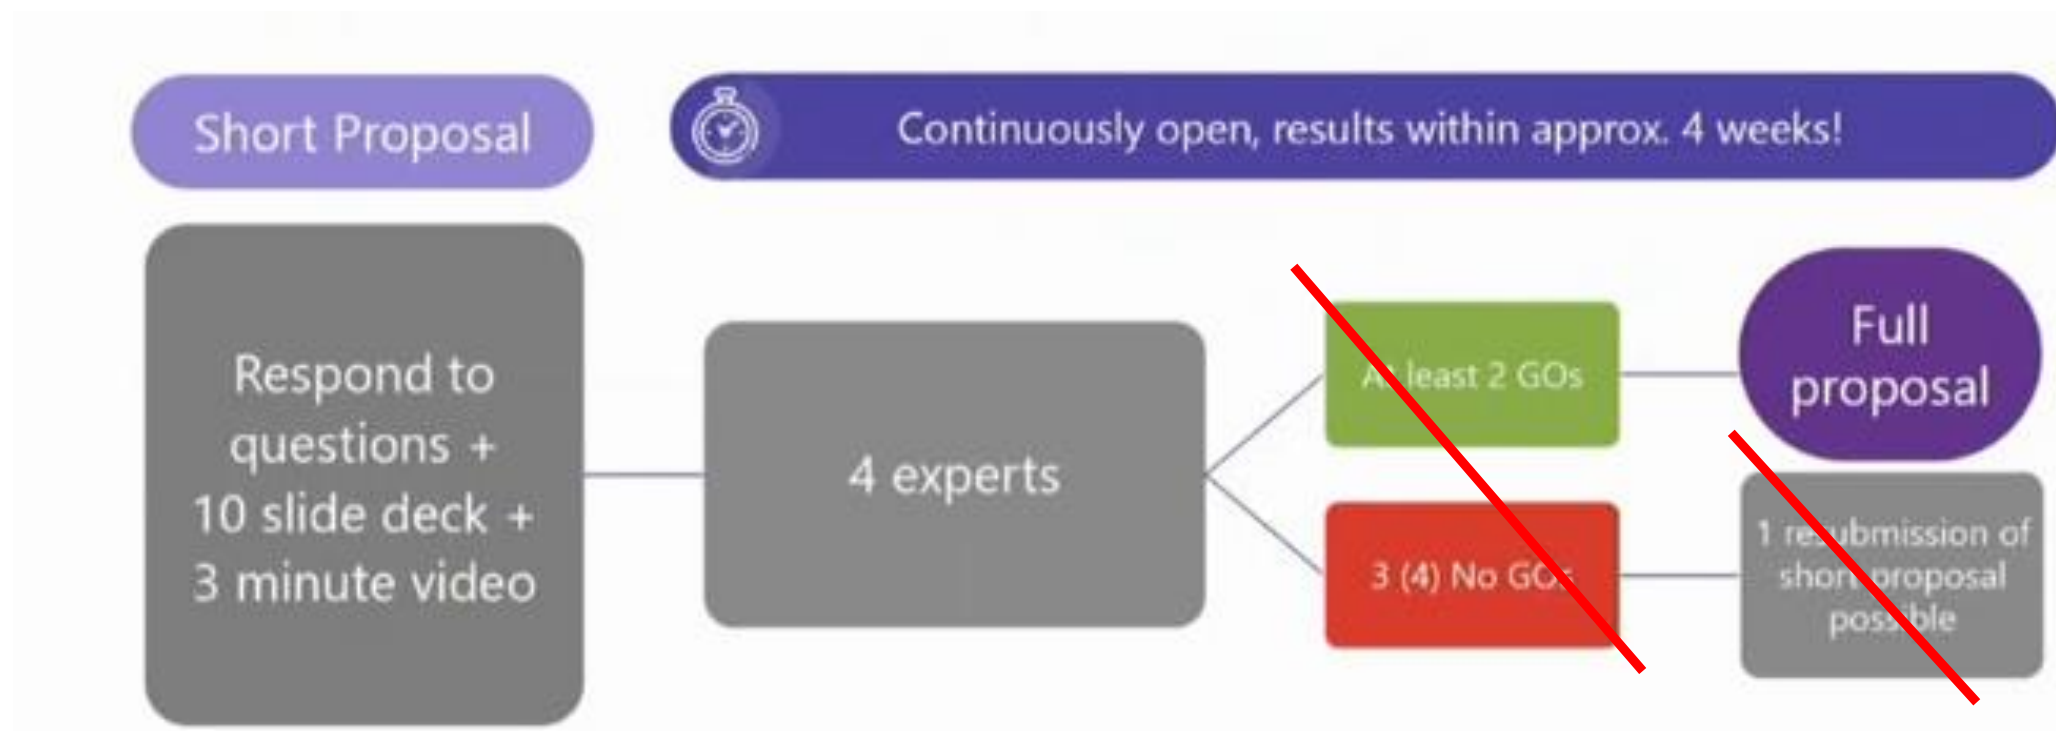

Should you intend to submit a new short proposal as of **January 3, 2024** you can do so via the [Funding and Tenders Portal](#).

The [EIC Platform](#) will nonetheless remain accessible for you to consult your previous proposals, drafts, results and in order to access the coaching module.

Please note that the templates and rules for the short proposal will change under the [EIC Work Programme 2024](#). We invite you to read them carefully.

The new rules will come into force from **January 1, 2024**.
